

EUROPEAN FEDERATION OF CLINICAL CHEMISTRY AND LABORATORY MEDICINE

The EFLM Executive Board is exploring new ways to involve Young Scientists in the activities of EFLM with the aim to create a new channel of communication among European Young Scientists Laboratory Specialists.

Your opinion is important for us!

EFLM QUESTIONNAIRE FOR YOUNG SCIENTISTS

Click here to access the survey.

This is a short questionnaire to know your opinion and expectations about the involvement of young scientists in the activities of the European Federation of Laboratory Medicine (EFLM). It would be very helpful for us if you could reply to it and give us your feedback about any suggestion you may have.

It will only take about 5 minutes!

The deadline to reply is Sunday March 1, 2020

WHAT YOU CAN WIN!

You can win a free registration for the 3rd EFLM Strategic Conference Demand Management in Zagreb (27-28 November 2020). A random drawing will be conducted among all Young Scientists replying at this survey.
