

Dear friends and colleagues,

We hope this email finds you well.

In recognition of your outstanding work and your significant contribution to science and research related to Thrombosis & Haemostasis , we are reaching out to you today to seek your kind cooperation in promoting the **27th International Congress on Thrombosis (ICT 2021)** which will take place virtually on 26-27 Nov. 2021, organized by the **EMTLD Society**.

The congress will bring the best and most novel advances in Thrombosis and related scientific topics to attending delegates. In this regard the organizers of **ICT 2021** have created a unique **programme** which covers the whole spectrum of translational and clinical aspects of thrombosis, platelets, coagulation, fibrinolysis, haemostasis and vascular biology.

I'm pleased to inform you that we have extended the deadline for Early registration until the 8th of November 2021. If you wish to register or share the registration link , **please click here**.

Attached please find the banner and media posts that we use to announce the congress.

We would highly appreciate your kind support to endorse the congress and circulating the attached programme and image among the members of your society and on your website, social media platforms.

You may find further information and details via the congress website:**<https://ict2021.com/>**

Thank you very much for partnering with us in promoting this very important event, and looking forward to your valuable participation in the congress.

Please don't hesitate to contact me if you require any further clarification or details.

With much appreciation and gratitude,

The Congress President
Prof. Alexandros Tselepis
