3rd EFLM Strategic Conference
SMART and GREEN LABORATORIES
How to implement IVDR, emerging technologies and
sustainable practices in medical laboratories?
25-27 May 2022 (virtual)
<http://www.eflm-strategic-conference.eu/>

Dear Colleagues,

On behalf of the EFLM Executive Board, I would like to inform you that there will be no registration fee for the **~8 000 EFLM Academy Members** to attend the 3rd EFLM Strategic Conference for their support, loyalty and collaboration with EFLM for several years.

We are confident to organize a great EFLM Strategic Conference with the largest participation in Europe.

It will be held fully online using the state-of-the-art technical solutions including virtual exhibition stands allowing chat and video conferencing between the attendees and stand representatives.

The Conference program has been designed trying to be interactive under virtual conditions reserving sufficient time for discussions. More in the spirit of strategic thinking: what are the problems now, what should we be aiming at in the future, where our focus should be, and how we could achieve that. The talks will be short, thought and discussion provoking and not like classical lecture type formal talks. We need revolutionary ideas that need to be implemented to move us forward.

We would appreciate if you inform the members of your society about the EFLM Strategic Conference, its enclosed program and invite them to register to the Strategic Conference.

We look forward to meeting you in May!

Best regards

Prof. Dr Tomris OZBEN
EFLM Strategic Conference, Chair
