**Call for nominations for
three Full Member positions and one Young Scientist Member position
inside the new EFLM Working Group: IVD Directive**

Dear President and National Representative,

According to a process of reorganization of the EFLM Committee on Quality and Regulations, the working on IVD Directive (WG-IVD) was disbanded at the end of 2012 and a new one, with the same name but with different terms of reference, has been re-established under the chairmanship of Prof. Christos Kroupis (GR).

The new WG terms of reference and short/long term goals are in attachment.

Now, we are seeking for membership as follows: three Full Member positions and one Young Scientist Member position (less than 35y).

The term of office will be for two years, from September 2013 to December 2014. The position could be renewable for other two more terms upon advice of the WG and Committee Chair.

Procedure for applications

Nominations should be submitted using the attached application form. A brief plan of the applicant's contribution to the aims and objectives of the relevant Working Group has to be included in the form.

Together with the application, a short CV should also be submitted underlining the qualifications and prior experience and publications in the relevant area. Candidates have to be officially recommended by their National Society and a formal letter of support must accompany the application.

Please send the signed and scanned application electronically to the EFLM Office: Silvia Cattaneo - e-mail: silvia.cattaneo@efcclm.eu.

Deadline for applications: **September 15, 2013.**

We look forward to hearing from you.

With kindest regards,

Wim Huisman

Chair - EFLM Quality and Regulations Committee
