

14th Asia-Pacific Federation for Clinical Biochemistry and Laboratory Medicine Congress

Advancing Laboratory Medicine for Better Patient Care

November 26–29, 2016

Taipei International Convention Center (TICC)
Taipei World Trade Center Exhibition Hall 1 (TWTC)
Taipei, Taiwan

14th APFCB Congress Call for Abstract

14th APFCB Congress is to be held on November 26 to 29 at Taipei, Taiwan this year. More than 75 international experts are invited to the Congress as speakers. A well-completed tentative program is ready for your perusal. 14th APFCB Congress is an excellent platform for international academic discussion in the field of clinical biochemistry and laboratory medicine with 37 years history. You are cordially invited to submit abstract and have a conversation with the congress experts. We especially encourage you to participate in Student Travel Award.

Important Dates

**Deadline of
Abstract Submission:
Tuesday, May 31, 2016**

**Notification of
Abstract Acceptance:
Thursday, June 30, 2016**

**Deadline of early-bird &
presenter registration:
Monday, August 1, 2016**

Abstract Topics

- A. Big Data Cloud and Laboratory Medicine
- B. Age and Sex Related Testing
 - Aging Laboratory Medicine
 - Prenatal Screening
 - Pediatric Laboratory Medicine
 - Women Laboratory Medicine
- C. Autoimmune Diseases
- D. Infectious Diseases
 - Dengue Testing
 - Hepatitis Testing
 - HIV Testing
 - Influenza Testing
 - Tuberculosis Testing
 - Emergent Infectious Disease Testing
- E. Laboratory Management
 - Integrated Diagnostics
 - Interpretative Comments In Laboratory Results
 - Laboratory Design
 - Laboratory Information System (LIS)
 - Patient Safety
 - Accreditation
- F. Metabolic, Cardiac and Kidney Diseases
 - Cardiac and Kidney Biomarkers
 - Estimated Glomerular Filtration Rate (eGFR) Application
 - Vitamin D and Diseases
- G. Molecular Diagnostic
 - Genetic Testing
 - Inherited Metabolic Disease
 - Cancer Genomic
 - GLP and QC in Molecular Diagnostics
 - Pharmacogenomics
 - Liquid Biopsy
- H. Stem cell and Laboratory Medicine
- I. Standardization and Harmonization
 - Traceability
 - Reference Intervals
- J. Toxicology
- K. Point of Care Testing
- L. Mass Spectroscopy Application in Laboratory Medicine

Student Travel Award

Qualification:

Under the age of 40 and presenting posters in the 14th APFCB congress 2016

Award:

Maximum \$1,000 SGD (international) or \$5,000 NTD (local) award with free registration

How to apply:

1. Submit the abstract at <http://apfcb2016.aonetek.com>
2. Send a recommendation letter from the advisor to Congress Secretariat before May 31.

Important dates:

1. May 31, 2016 : Deadline of Student Travel Award submission
2. June 30, 2016: Notification of Student Travel Award winner

* More details to be noticed at
