To **National Representatives of IFCC National Society Members**
Representatives of IFCC Corporate Members

The Education and Management Division (EMD) is a key resource for all members of IFCC. EMD facilitates the development of managerial skills, supports educational activities in laboratory medicine and offers critiques, advice and cutting-edge expertise on issues and problems related to laboratory management, teaching and education. EMD provides many of these educational, teaching and consultative services through its Committees.

We are inviting nominations for one Full Member position in the Committee on Evidence-Based Laboratory Medicine (C-EBLM) for the term of office 2017-2019 as a vacancy will arise in this committee on 1.1.2017.

Individuals applying for this position should have extensive experience in the area of work of the Committee. For further information, please visit:

<http://www.ifcc.org/ifcc-education-division/emd-committees/c-eblm/evidence-based-laboratory-medicine-c-eblm-base/>

Much of the work of all EMD committees is conducted by email, but committees meet in general once per year.

All National Societies and Corporate Members are requested to encourage appropriate members to apply for this position. Applicants who are not selected as full members may be eligible for corresponding membership.

Nominations should be directly sent to the IFCC Office (cardinale@ifcc.org) by **Friday, 18 November 2016**.

The information must include:

- Letter of support from the National Society/Company;
- Curriculum Vitae of the nominee describing the professional and/or academic career (including a list of publications), particularly highlighting the issues which could be important for the selection.
- Membership questionnaire filled in by the candidate.

We look forward to receiving your replies.

Yours sincerely,

Leslie Lai
EMD Chair

c.c. *Chris Florkowski*, C-EBLM Chair
